

# WOOD TILES

## Bison Ipe Artisan Tile

Renowned for its exceptional durability and longevity, ipe tropical hardwood is the ideal choice for outdoor environments, offering unparalleled beauty, resilience, and a touch of luxury to elevate your next design. As sustainability standards continue to evolve, Bison remains at the forefront of innovative design by repurposing premium wood offcuts to craft our wood tiles. Our new Artisan Ipe Tile takes waste minimization a step further, transforming even more reclaimed wood pieces into a striking, unique pattern that enhances any space. These tiles deliver a bold aesthetic statement without compromising on quality or performance.

-  **Durable** – high density strength which leads to better performance among hardwoods
-  **Resilient** – naturally resistant to rot & insects
-  **Weather-resistant** – high density, natural oils, & tight grain protect from all weather conditions
-  **Natural** – unaltered & naturally grown wood

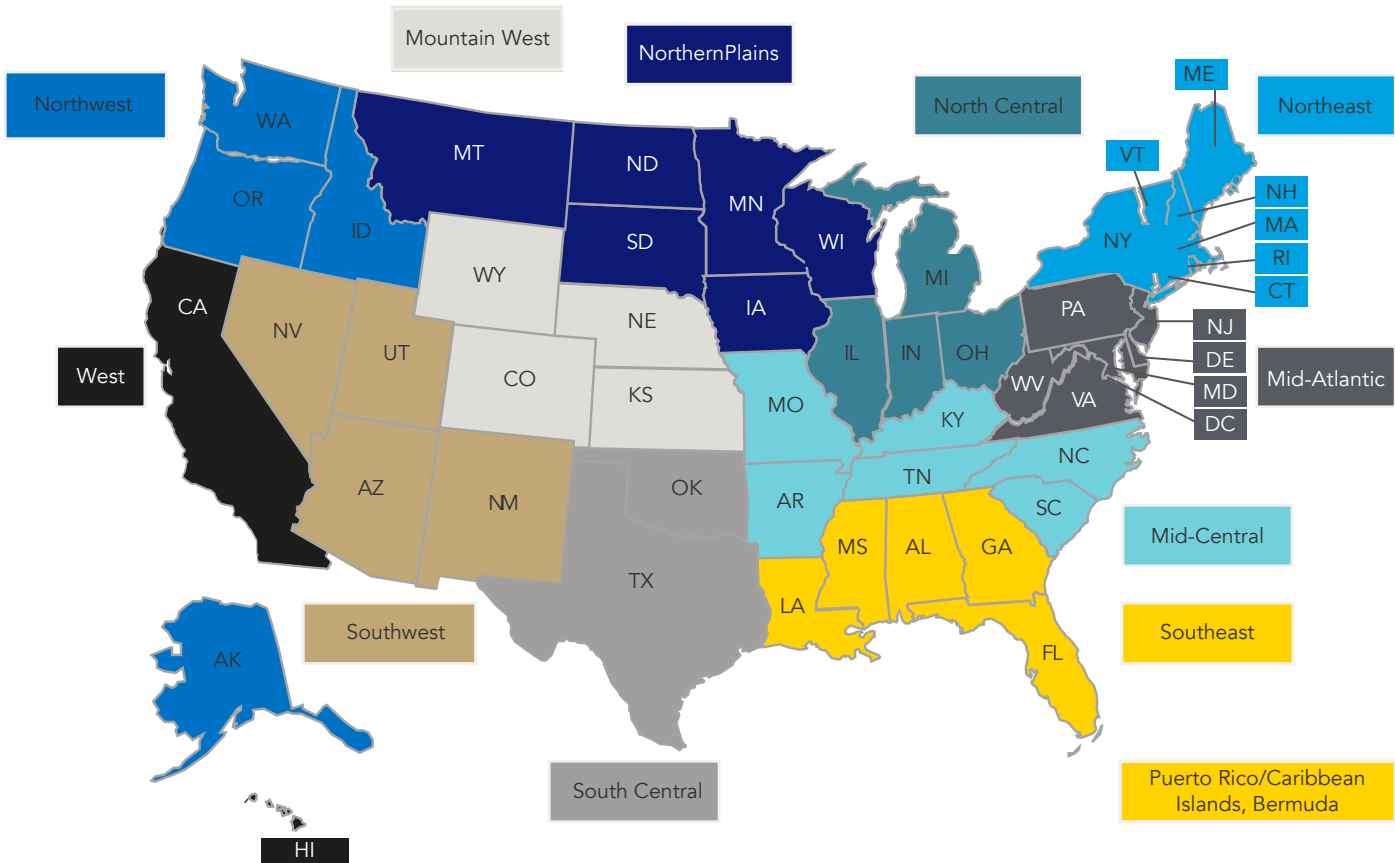

<b>ASTM E108</b>	Class A Spread of Flame
<b>Janka Hardness Rating</b>	3,680 lbs
<b>Dimensions</b>	47.9375" x 23.875" x 1.69"
<b>Weight</b>	60 lbs Weight psf: 7.5 psf
<b>Design</b>	Bison Continuous Kerf Cut
