Reflective, Durable, and Modular

ECOPAVR®

Bison ECOPAVR® Concrete Pavers are a unique surfacing option for rooftop environments. Available in either traditional concrete or wood-look finishes, Bison ECOPAVR® Pavers bring a barefoot-friendly aesthetic appeal to rooftop decks, outdoor patios, or pool surrounds. The Bison ECOPAVR® provides weather resistance and substrate protection while minimizing heat absorption.

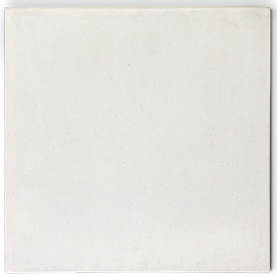

- **Compatible with all Bison Pedestal Systems.** ECOPAVR® Pavers are durable, reliable, and safe.
- **Beautiful Finishes.** Multiple color options and textures.
- **Solar Reflectivity.** High reflective values up to an SRI of 96 with cooling technology up to 40 ° cooler than standard concrete pavers.
- **Modular.** Interchangeable with Bison wood tiles and wood or aluminum planter cubes.
- **Quick and Easy to Install.** Recommended for use on Bison Pedestals from 1/8" to 36" in height.
- **Commercial Grade.** Fiber-reinforced for long lasting durability in high traffic area..
- **Made in the U.S.A.**
